

'TEAS WITH TUTORS' Open Afternoons

for school pupils and teachers will be held at St Peter's College, Oxford on

WEDNESDAY 27th JUNE, THURSDAY 28th JUNE and FRIDAY 14th SEPTEMBER 2007
3.00pm - 5.00pm

The 'Teas with Tutors' events are intended to provide an opportunity for students to meet tutors in the subjects in which they have an interest, either over refreshments in the College dining hall or at informal group meetings (precise arrangements will vary from one subject to another). Current undergraduate students will also be around, giving tours of the College and its facilities. The Tutor for Admissions will be available to answer general enquiries.

These events are intended for students who may be considering putting in an application to St Peter's as their College of first choice. There is no need to book. Teachers and parents are welcome to have tea and tour the College (however the meetings with tutors are for prospective applicants only). We expect many students will be coming along after attending University departmental/subject Open Days and we hope they will feel free to come at whichever part of the afternoon suits them best.

We anticipate that there will be representatives of the Honours Schools in which we have College Tutors, namely:

Archaeology & Anthropology	
Molecular & Cellular Biochemistry	
Biological Sciences	
Chemistry	
Earth Sciences (Geology)	
Economics & Management	
English Language and Literature	(including English & Modern Languages and English & Modern History)
Geography	
History of Art	
Law (Jurisprudence)	
Law with Law Studies in Europe	
Mathematics	(including Mathematics and Statistics and Mathematics & Philosophy)
Medicine	
Modern History	(including History & Economics, History & English, History & Modern Languages,
History & Politics)	
Modern Languages	(French, German, Italian, Modern Greek, Portuguese, Russian, Spanish)
Music	
PPE (Philosophy, Politics & Economics)	
Physics	(including Physics & Philosophy)
Physiological Sciences	
Theology	(including Philosophy & Theology)

Further details of these courses may be found in the University prospectus, copies of which are sent to schools. Please note that St. Peter's does not admit undergraduates for the following courses:

Ancient History (in any combination)
Classics and all its joint schools
Computer Science (including Mathematics and Computation)
Engineering Science and all its joint schools
Experimental Psychology
Fine Art
Human Sciences
Materials Science
Materials, Economics & Management
Metallurgy & Science of Materials
Middle Eastern Languages
Oriental Studies
Psychology, Philosophy & Physiology

We regret that we are unable to provide accommodation for Open Afternoon visitors on the above dates.
